BOLD BULLDOZERS.

The APPEAL has never in the history of this county seen such an exhibition of open bare-faced bulldozing as was practiced at the meeting of the Anti-Chinese League on Saturday night.

The bosses of the League have held up to the people of Ormsby county that they had a grievance, said grievance consisting of being subjected to the rule of bossism or what at times they have been pleased to call "one man power."

Now they essay to run the politics of the county themselves and at the first turn they make they give us the coolest illustration of one man power ever seen in the State. Doc. Herriek the new boss of the League coolly announces that he is about to put a new ticket in the field appointed in the following unique manner.

Doc. Herriek appoints a Committee of Five and the Committee of Five appoint a Committee of Twenty-five, and these Twenty-five men select a County ticket.

Suppose Sam Wright, Tremor Coffin or Dr. Lee had called an audience together and attempted to elect a County ticket in this fashion. Why! the people would raise up, especially these anti-Chinese League people and begin to talk of burning their houses over their heads.

Chris Buckley the arch boss of San Francisco would never have the solid gall to attempt the racket sprung upon the League by Boss Herriek last Saturday night.

It would seem a shorter cut to the work to have Boss Herriek retire to his chamber and name a County ticket all by himself. The same result would be reached with much less circumlocution, and the rank and file would feel just the same.

This ticket will be named without the consent of the rank and file of the club and without giving anybody ever a chance to vote for delegates at the primaries. The whole thing smells rank and strong of bossism and that of a sort that would outshine all previous efforts at bulldozing in this State. The meeting last Saturday evening was the most rousing farce that can be imagined, and the one next Saturday night will be better still.

Occasionally a paper comes to the front willing to give candidates a square deal.

The Alta proposes to "take fair" in this campaign, and takes no stock in tales that effect to deny to Mr. Swift the attributes of common humanity. It has not yet become a crime to run for office in this country, and the candidates are to be settled at the polls upon principles, and not personalities. The agent of the Associated Press at Fresno has wired a family matter about Mr. Swift which we do not believe to be true.

The editor of the True Fissure in a double headed editorial says:

The report that the editor of this paper intends scratching anyone on the ticket is false. He is proud that he had the honor of assisting in the nomination of such a splendid State ticket, and will vote it and the county ticket straight. He does not belong in the sorehead ranks.

The Salvation Army people find it difficult to go anywhere without being arrested and locked up for disturbing the peace of the various cities where they engage in prayer.

The Daily Report advises them to either enter politics or join the military if they want to escape these annoyances.

Is it said that Hon. George Ernst will bring a suit for damages against the Central Pacific Railroad Company. He was ejected from the west-bound express near Corinne, Utah, a few days ago, the conductor claiming that he (Mr. Ernst) was riding on a scalper's ticket.

Gen. J. C. Hagerman several days ago received the appointment as Postmaster at Reno, and has made up his mind to accept it, hoping that in the near future his services to his party would secure for him some better position.
